

"Indra"

Solar and lunar, "Indra" holds the raindrops. Artistically, she has adorned her **DELANCE** watch. This passionate woman with a strong personality keeps her balance in any situation. A businesswoman or an artist, her **DELANCE** is her talisman. Her yellow and white gold watch is a reflection of her diverse talents.

Solar and lunar

The 242 brilliants of various sizes, artistically arranged, completely cover the case of this **DELANCE** watch and transform it into a diamond sculpture. Directed by an inspired crimper artist, it will remain unique as no other will be quite the same.

Flamboyant, the pure white brilliant shows the brightness of the white mother-of-pearl dial. The twisted white gold threads, springing from the casing like a waterfall, harmoniously prolong the gray of the hematite at six o'clock.
