

"Noa"

My daughter, my star, my mermaid, I pampered the little girl but today I let go of the young woman. You grew up so fast, I did not see the years pass by and now you are going to the other side of the ocean.

Starfish

Her father, her star, her compass, she will carry this subtle and delicate watch that binds them beyond the ocean every day. Her **DELANCE "Noa"** with its star in the heart of diamond, reminds her of the hours of happiness she has lived with him. The bracelets she has attached to the watch change in a jiffy. They allow her to put on her colors of the day with a thought for her father always present.
