

## "Ulla"

She resists the force of the wind in the storm as she believes in herself and in the power of the sacred feminine. Her intuition guides her in all circumstances. Amethyst is her stone and six is her number; her symbols of spirituality.

### **The water's strength**

For every woman, **DELANCE** creates the watch that resembles her. Ulla is the girl of the sea; her strengths are love and generosity. Her spirituality is supported by amethyst and the number six which is connected to the power of time and water.

Subtle and elegant, **DELANCE "Ulla"** underlines the spirituality of a committed woman. Six amethysts play in the waves and delicately light up her gold watch.
