

"Florescia" *Flower of Love*

The poppies painted on the pale pink mother-of-pearl dial remind her of the most beautiful days of her life, the summer of her first love under the sun of Florence. And the poppy strap gives her watch an energetic touch. Solar and refined, her "Florescia" watch delivers her message of love and energy.

A unique watch for a magical woman

Life is just a dream, and if we are artists, then we can create our lives with love, and our dream becomes an artistic masterpiece.

A magical watch for a unique woman

Special, always the same and yet different for everyone, this magical watch discreetly reflects the unique story of the woman who wears it. Often imagined for her by a man who loves her, it is a token of his love and an expression of their shared history.
