

DELANCE

SWISS WATCHES

"Maria" Mother and child

This Delance is in gold, with a white mother-of-pearl dial decorated with the Mission Plus logo, "Mother and Child", finished with a white leather strap. For Valeria, three small diamonds are set in the shape of a heart at 11 o'clock (an intimate meaning for Valeria) and the ruby at six o'clock represents the Love of her life. Wherever Valeria goes, at every glance, her Delance accompanies, supports and encourages her in her projects.

A unique watch for a magical woman

Wherever Valeria goes, at every glance, her Delance accompanies her, supports her and encourages her in her projects. Inspired by "Mission Onlus", Delance supports a universal cause: the right to happy, desired motherhood.

A magical watch for a unique woman

Peculiar, always the same yet different for each wearer, this magical watch discreetly reflects the unique story of the woman who wears it. Often imagined for her by a man who loves her, it is the token of his love and the expression of their shared history.
